Allowable Subject Matter

Claims 7 – 12 are allowed. The prior art of record fail to teach a lane change assistant for a motor vehicle, comprising, among other limitations, an arrangement for controlling an automatic change of the motor vehicle to a neighboring lane in response to a command by a driver; and a first sensor and a second sensor allocated to an operating element including a lever which forms a turn signal switch – the element being movable in opposite directions out of a neutral position – wherein each of the sensors supplying a multi-valued output signal corresponding to an actuation of the operating element and determining dynamics of a lane changing procedure.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. As per attached PTO-892.
